The authors would like to inform the readers that errors were made in the original article.

One image of “TNF- α (40 ng/ml) + CHX (5 μ g/ml)” group of flow cytometry (Fig. 2A) was chosen by mistake when submitting pictures. The revised Fig. 2A now shows the correct image from the original data source. This change would not affect the conclusion of this paper.

The authors would like to apologize for any inconvenience caused.

The revised Fig. 2A:
