

Correction to Insulin Promoter-Driven *Gaussia* Luciferase-Based Insulin Secretion Biosensor Assay for Discovery of β -Cell Glucose-Sensing Pathways

Michael A. Kalwat,¹ Chonlarat Wichaidit, Alejandra Y. Nava Garcia, Melissa K. McCoy, Kathleen McGlynn, In Hyun Hwang, John B. MacMillan, Bruce A. Posner, and Melanie H. Cobb^{2*}

ACS Sens. 2016, 1, 1208–1212. DOI: [10.1021/acssensors.6b00433](https://doi.org/10.1021/acssensors.6b00433)

In the original paper, a funding source was mistakenly left out of the Acknowledgments section. The Welch Foundation funded parts of this work and is now properly recognized. The sentence added to the end of the acknowledgments section is as follows: We are grateful to the Welch Foundation for funding portions of this project (I1689 to J.B.M. and I1243 to M.H.C.).
